** These 3 seats are up for election this year.*

Greetings!

The Board of Directors of the Lexington Cooperative Market thanks you for your interest in running for a seat on the Board. Our mission is to meet our community's needs for healthy local food and consumer information, and to contribute to thriving local and co-operative economies and a sustainable environment.

We are motivated by service to our consumer owners. Our cooperative has more than 15,000 owners and is growing every day!

Lexington Cooperative Market is governed by a nine member Board of Directors elected by the Member-Owners. Also attending and participating in board meetings in a non-voting capacity are a staff representative and the General Manager.

The Board is engaged primarily in developing the vision and long term viability of the Co-op. The Board does not run the store, nor does it have direct control over daily operations. The Board seeks owner input on the goals and vision of the organization and reports periodically to the owners on the Board's activities, decisions and compliance with Board policies. We operate using a system called "Policy Governance" that emphasizes values, vision and the empowerment of both Board and staff.

Please review the attached recommended materials and answer the questions on the back of this packet on our online form in order to indicate your candidacy for a Board seat. Let us know if you have any questions.

Thank you again for your interest in serving on the Board of the Lexington Cooperative Market.
